About FlavaFitness Studio Rentals

Are you looking for the perfect venue for your next event? With over 3,600 sq ft of space and over 2,500 sq ft of dance floor; we can provide you with what you need to make your next event a success! We offer a clean and classy atmosphere that is perfect for a variety of occasions. This venue is not the large commercialized or institutional style venue that you may be used to. It is a smaller, more quaint, and intimate facility that has an old "members only" nightclub atmosphere. Our decor is very neutral to meet any decorating theme. The venue was designed to be easily transformed in order to meet the needs of any party/event theme. Most items are removable and/or interchangeable. We can also offer event planning services and entertainment services. We are a unique facility, as we work with our clients to ensure all of their needs are met. We help our clients to stay within their budget and offer guidance on how to do so. We do not limit set-up or preparation time nor have additional charges for that time. This venue is not seen from the street and is perfect for private corporate, VIP, celebrity, or other "member only" affairs not wanting to be known to the public. We have few restrictions and are able to meet the needs for various types of events. The primary operation of FlavaFitness Studio is a dance/fitness studio. Therefore, we also rent dance floor space to other instructors and performers who need to rent space by the hour.
